York, PA 17402
717-840-2990

Who:

The target audience for this course are individuals who may assume a supervisory role in expanding incidents.

Cost:

Free to registered participants.

Point of Contact:

Bill James
Deputy Director
Operations and Training
Officer
wrjames@yorkcountypa.gov

Course Description: During an expanding incident, some or all of the Command and General Staff positions may be activated, as well as Division/Group Supervisor and/or Unit Leader level positions. These incidents may extend into multiple operational periods.

This course expands upon information covered in the ICS-100 and ICS-200 courses.

PREREQUISITES (Mandatory):

IS-0100.c, Introduction to the Incident Command System, ICS-100;

IS-0200.c, Incident Command System for Single Resources and Initial Action Incidents;

IS-0700.b, National Incident Management System, An Introduction; and

IS-0800.c, National Response Framework, An Introduction.

Registration: Registration Process: To complete registration for the course, students need to visit <https://pa.train.org/pa/home> and create an account or log into your existing account. Once into the system, use the "search" box at the upper right-hand portion of the TRAIN PA screen and type "ICS 300", hit enter. You will now be taken to the Course Search Results page. Click on our course information. You

will be taken to our "Course Details" page. Select "Register" and follow the instructions. Should you need further assistance please contact the POC listed above.
